## How NMC Can Spoil Govt's Plan To Help Medical Students Affected By Russia-Ukraine War

The disconnect between foreign minister S Jaishankar's wish to get medical students admitted in universities in Ukraine's neighbouring countries and the latest NMC norms tells a muddled tale.

Outlook

## NMC Snubs Indian Embassy In Philippines, Refuses Relief To Over 10,000 Medical Students

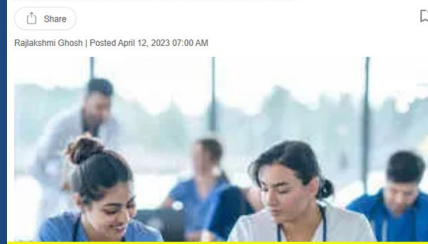

The Indian Embassy in Manila in Philippines, requested NMC (National Medical Commission) to give special exemption to these students but has been turned down.

Outlook

## Foreign-returned medical students will be allowed two attempts to clear MBBS in India

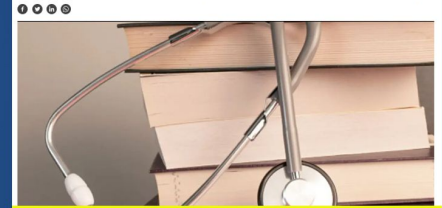

As a one-time measure, the penultimate year medical students can appear for the final year MBBS exams without being enrolled in any Indian medical college

Education TIMES

## How Education Agents Mislead Medical Students And Thwart NMC's Efforts To Stop Them From Going Abroad

Many Russian colleges, that admit students through entrance tests, have started receiving applications from Indian students and they will start offering admissions from the end of July.

Outlook

## Medical Education Regulator NMC Vague On Indian Students With Foreign Degrees, Giving Agents A Free Run

A lot of agents are making the most of the current scenario by spreading misleading information to attract students abroad

Outlook

## Why NMC must support Indians aspiring to study Medicine overseas

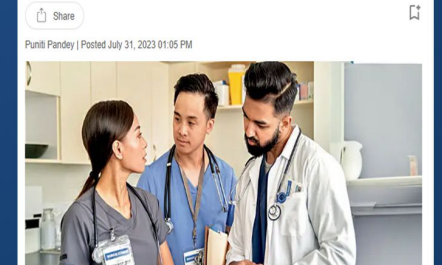

Scrapping the list of recognised international medical colleges provided by MCI from the website without introducing a new one is creating a chaos

Education TIMES

## Unclear about the NMC guidelines, FMGs worry about future

Most foreign medical graduates are awaiting clear guidelines from the NMC to make an informed decision

Education TIMES

## Ambiguity continues for foreign medical aspirants even as NMC alerts

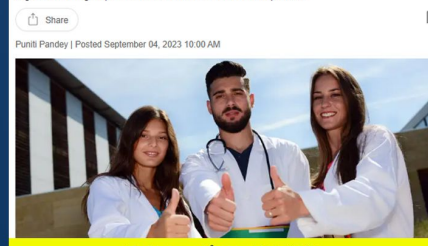

The NMC should be transparent in clarifying the universities and degrees that are aligned with its guidelines

Education TIMES

## Lack of clinical exposure resulting in low pass percentage in FMGE

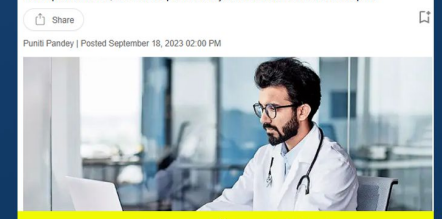

Rigorous training helps medical students learn to deal with patients

Education TIMES

## Medical degrees from several countries may stand inconsequential after NMC's new rule

Medical universities in most of the CIS countries such as Russia, Kazakhstan, Uzbekistan, Kyrgyzstan, Georgia have claimed that their six year programme includes internship. With the fresh update of NMC, the internship awarded by these countries will not be accepted
